A message from the Principal

We congratulate the class of 2008 and wish you the best in the years to come. Your senior leadership has provided the spark that generated student life at Abraham Lincoln High School throughout the year. The pages of this yearbook attest to your school spirit and pride. Your social and academic growth is reflected in the many pages of photos. As with every class before you, it is the many positive achievements in academics, music, mock trial, drama speech/debate, dance, art, student government, clubs, and athletics that define what best represents your educational experiences at Lincoln High School.

This yearbook will serve as a record of the events of this past year for all Lincoln students, especially for seniors. Years from now it will continue to be a source of memories as the photos and words take you back in time. As you leave Lincoln through graduation, continue to define yourselves as alumni in your chosen fields. Remain honest, exhibit a positive attitude, extend respect and compassion to other people, and further develop your sense of humor. Expect mistakes and roadblocks in life and learn from every experience. Exert a quiet, forceful leadership and always maintain your integrity. Above all else, be yourself! You are each extraordinary and unique individuals. It is my hope that in ways small and large, your Lincoln High educational experience will play a major role in your lives.

Thank you for attending Abraham Lincoln High School and for the opportunity to serve as your Principal.

Proverbs 3:5,6

Our baby girl, you're always going to be our little cupcake. I love you, and I'm very proud of you. It's hard to watch the youngest grow up, because that means, that I'm just getting older. What you decide to do after graduation, is up to you, but we will be proud of what you'll accomplish in the future. You have a whole life ahead of you. You can be what you want to be. Don't let anyone tell you differently.
Love you, Mom and Dad.

Miko Bernstine

Our Baby is all grown up. Miko, it has been so amazing watching you grow and mature into the man you have become. We are so proud of you, for standing firm in your morals and values, and staying true to yourself. We know you have a great future ahead of you, and we are anxious to watch it unfold. This picture was selected, because it shows how long you have had "the habit." To the sky and back.

Mom and Dad

Carl and Samantha Graham

You two have always been fighters, from the day you were born. You two were such itty-bitty babies; we have always worried. But we have watched the two of you, each turn into a handsome young man, and a beautiful young woman, and we are very proud of you both. Don't let anyone tell you can't do something. If you want it badly enough, it is worth fighting for it. We know the two of you are going to be great human beings. You both have very good hearts, just follow them and you won't go wrong. Always be happy in life, and live life to the fullest.

With all Mom and Dad's love. We love you both.

Wow, you two were my babies when you were little. You both have grown up so much, in the last couple of years, but even though I'm not always there, you know you can always come to me.

College is going to be even more of a growing process, but I will still be here. You both have been the best, brother and sister anyone could ask for!

Congratulations!

I love you!

Love,
Ashley

Kendra Thomas

Kendra, Words can't express how proud I am of you. You've grown up, to be a beautiful woman with a great attitude and outlook on life. You've chosen your friends wisely. You don't judge people by appearances, or what they possess, but rather on their own merits. I'm proud of you for that. I know without a doubt, you will be successful in life. Many people define success as materialistic things, but your success will come from within. You will be a leader. You brighten up every room you walk in. Your sense of humor is odd but resilient.

I love you and I'm very proud of you. Congratulations!
Dad

To Kendra, the little girl I adored and the young woman I cherish,

I know you will have a great future learning, and working in a field you love. I'm excited for you, and look forward to all that lies ahead for you. My advice is to have fun, but work hard. Things always happen for a reason. Don't be afraid to get out there and make things happen.

I hope you realize your family is always behind you. I'm here whenever you need me.

I love you.
Mom

Shawn King

Shawn,

It seems like only yesterday that you came into our lives. It has been a fun adventure watching you grow, and becoming a fine young man. Your grandfather and I love you very much and are very proud of you. We know you will succeed in life. Always remember--we are here, if you need us.

MeMa and Pa

Like a child of the tree born to me, hair of brown, curls all around. Rosy dimpled cheeks, tiny hands and feet. Cuddles and kisses--what a blessing you would be. Loving you through all the laughter and tears, counting down the years. Freckled face, school days, bikes and skates. Bumps, bruises, cuts, and scrapes. Friends and fun, family vacations in Wisconsin and the Florida sun. Life has just started, take it and run. Growing up, in your teens, on me you can always lean. Getting a job, dances, and dates, driving a car, and coming home late. In academics you did climb, on the school stage you did shine. High School is over, take a bow. Big and better things await you now. Congratulations Hunny Bunny!

All our love, Mommy, Ramon, Jasmine and Derek

How amazing is it not just love
your child, but respect, admire,
adore and *like* them as well?
The day you were born we
were truly blessed. You
changed our world the
moment you came into it.
18 years have flown by and
my baby is now all grown up. It
seems too soon to let go and
yet, I know you're ready. You
will do amazing things, Jarrett.
You have the entire family
supporting and believing in
you. You will forever have us
behind you, cheering you
on in anything you do. Make
us proud like you always have.

Phill Carroll

It seems like such a short time ago we called you Phillip, or Flupp (as your brother would say) and now to a young man as Phill. The years passed by too quick...memories of...Soccer games from ages 4-14. Watching you drive golf balls for LHS Golf and "longest drives" to the green. Hours of service to Echo Valley Country Club, working as "The Cook" or the laughter shared, after the fact, when you drove Mom's car, The Buick (80 plus miles)!

All cherished memories that will be in our hearts forever. Congratulations Phill, we are very proud of you!
Love Always,
Mom and Dad

Brit,

It is hard to put into words just how much happiness you've given to us. I can't believe your 18 years old! It seems like yesterday, that they placed you in my arms, I was scared to death. But it looks like we did an okay job. You are a beautiful young woman inside and out. You have worked so hard to get to where you are. Congratulations!

Jordan Marie Smith

Jordie,

Little things--Your first choir show for Mann Elementary, the first time trying baseball with the boys, and your first dance recital, making us laugh and cry, and your first dance competition. Mild things--your first middle school dance, at McCombs, the big change and 8th grade dance at Brody, your first love. Big things--Walking through those doors at Lincoln High School, and becoming a Railsplitter. But that has all passed now, and it's time for you to look toward that future, that you hold in your hands, the hands that were once little. The love and special little girl who has grown into a young woman! Good luck in your endeavors and what you have chosen to do!

"Time goes by so fast, people go in and out of your life. You just never miss the opportunity, to tell these people how much they mean to you."

"A milestone passed, new things begun, dreams as shining as the sun, a goal achieved, a victory WON! That's GRADUATION!"

When you were little you wanted to sing. You were horrible. Still, you sang constantly--you sang loud and you gave it your best. Now, you sing, so much better! One day you decided, you had to dance. You practiced constantly--danced in the street and in the stores. You gave it your best. You are very good! Your dad would have been very proud of your accomplishments and the way you live your life with determination. I am amazed daily as I see my little Myrt turn into such a smart, goal oriented, beautiful young woman. Nothing in life is beyond your reach! I am very proud of you.
Love you!

Brianna Buscher

The beautiful girl we brought home in pink, and dressed up in frills and dresses, preferred blue jean shorts, a t-shirt of sorts, her sneakers and funky sun glasses

Would you like to learn to cook or maybe to sew?

"No thanks" was the reply we received. There's a game in the back with the neighborhood kids.

There's nothing more important she believed.

"Hey guys," "I know," "sweet," and "whatever."

Are the words we have heard even now. Our response is the same, when we call out her name.

"Brianna, we love," we vow.

To you, and your classmates of 2008, good luck, aspire and achieve. Set your sights, make your plans, be good stewards and advance.

Become what you "truly" can be.
Go get your dreams Brianna.

Love,

I hope you still feel small when you stand
beside the ocean,
Whenever one door closes I hope one more
opens,
Promise me that you'll give faith a fighting
chance,
And when you get the choice to sit it out or
dance

I hope you dance,
I hope you never fear those mountains in
the distance,
Never settle for the path of least resistance
Livin' might mean takin' chances but they're
worth takin'

Lvin' might be a mistake but it's worth
makin',
Don't let some hell bent heart leave you
bitter,

When you come close to sellin' out
reconsider,

Give the heavens above more than just a
passing glance,

And when you get the choice to sit it out or
dance

I hope you dance,

Time is a wheel in constant motion always
rookung us along,

Tell me who wants to look back on their
years and wonder where those years have
gone)

I hope you still feel small when you stand
beside the ocean,

Whenever one door closes I hope one more
opens,

Promise me that you'll give faith a fighting
chance,

And when you get the choice to sit it out or
dance

Dance, I hope you dance

As you step into this new path of your life, we'll always be there watching and praying that wherever you go you will find happiness.

My Jessi-Lou.

It seems like yesterday we were singing "OUR" song, playing "beauty shop," and taking daily "ADVENTURE-FILLED" van rides (yee-haw!)

I'll always remember my little princess waiting for me on her balcony and then watching her little bouncy "Buffy" curls running towards me. These memories are precious and will remain in our hearts forever. You are about to start a new phase of beautiful memories, and I will be right there, enjoying every single one of them with you. You are VERY special to me and always will be. I am blessed to have a wonderful niece like you. I look forward to the road-trips to Ames to see you and Amanda. We have lots of new memories to make. I am so very proud of you Jessi-Lou!

Jessica Kincheloe

Jessi,
I tried to think of a poem to write that would bring back our memories and represent how close we've become, especially from this year. However, I could only come up with one decent stanza. The truth is, you already know how much I love you, and look up to you. I strive to be as creative, and thoughtful as you are everyday. Even though I give you a hard time, I hope you know how proud I am of you. I'm always here for you, babe, and I can't wait to hang out with you and Amanda in Ames! Do, in honor of your writing style, here's the poem I'll never finish:

We love to play and laugh til we cry
We never leave each other's side
Life has been one interesting ride
For me and you, you and I

I love you, Boss!
You P L A

Lil' Sunflower

It seems like only yesterday you were singing on your squeaky swing, prancing around in your itchy tu-tu with your princess crown and little wand, swinging from the chandelier, going up with the garage door, twirling the baton, playing the trumpet, playing soccer, acting in school plays, singing in show choir, and climbing rocks, and mountains. Thanks for entertaining all of us!

Lookout ISU, here comes The Jess!

Love,
Dad and Mom

Jessi, Cuz Mi Amore & Chip,
We've had a pretty amazing life together so far. When I stop and think about all the fun we've had (like picnics in the kitchen, swinging for hours gazing up at the clouds, and getting sunburns, to name a few) this warm, happy feeling engulfs my very being. I chuckle to myself and smile. You enrich my life, in such a way that words just can't quite express exactly how much you mean to me.

Where my words fall short, I hope you know how much I love the memories we share. Also know that I am really looking forward to us, being official roomies in the fall. We have so many memories, yet to create and I can hardly contain my excitement! I don't know where this journey of ours leads, but I am very glad that we have each other to share it with.

I hope you look back on your high school years with a smile. You have grown so much and I am very proud of you. Take this next step in life with confidence, and always keep your dreams at heart.

Love always,
Amanda, Cuz Tu Amore, & Dip

Princess Jessica

Remember, "Life is like a box of chocolates, you never know what you're gonna get." Thanks for pumping me up with such joy and wonderful memories. When life seems to...be "Harry" just remember, I will always love you. "Thank you...thank you very much for making me smile and being my little princess."

Love,
Mom

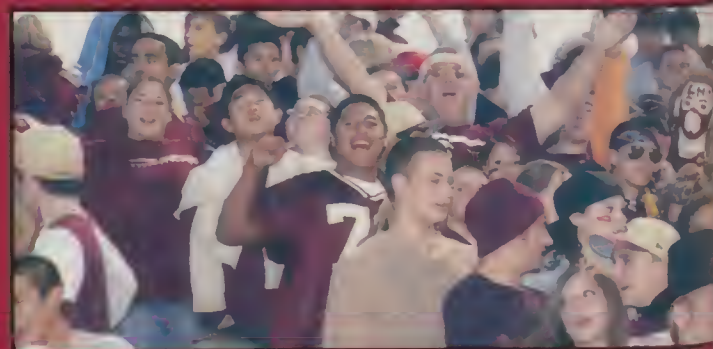

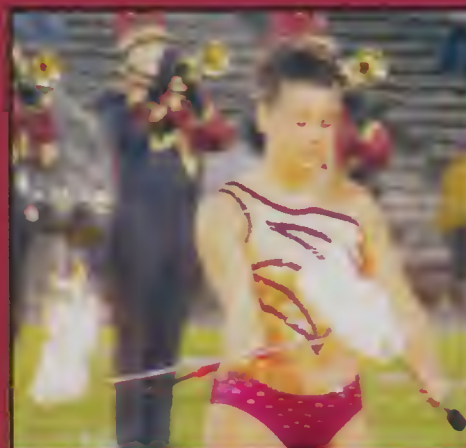

Jessi,
Congratulations on getting accepted to ISU. I'm sure you'll love it as much as I did. I have no doubt that you'll be a success in whatever you decide to do. I'll always remember our fun times growing up. I'm sorry for charging you, a dollar every time you wanted to watch me, play video games and for squirting you with my Super Soaker, while you were swinging and singing. I have to admit, that was pretty funny! We had some fun times and I couldn't have asked for a better little sister. Good luck at ISU. Go Cyclones!

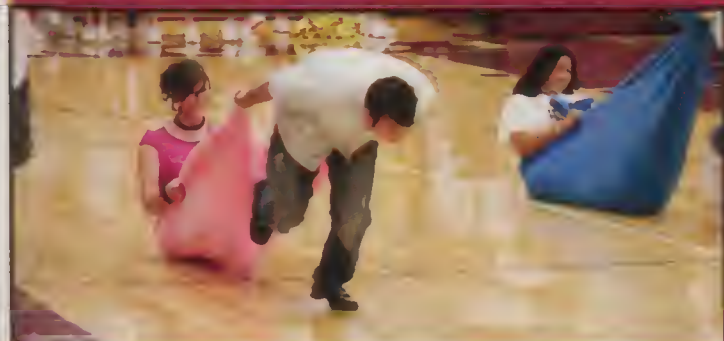

Love,
Justin

What A Fantastic Fall Season!

The Fall Season kicked off with a ton of new happenin' things! From the Men In Black making their special appearance to all the craziness with the new classrooms. We definately got an interesting start. As the weather cooled down the football season started and Tailgaition was underway. From car bashing to Trojan Warriors we were definately full of spirit. This season was definately all about becoming someone else and finding out who we are.

Ignite Mentors

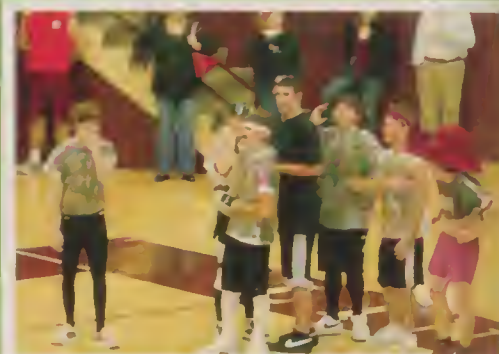

Ignite Mentors is a program that helps middle school students to think about high school. The program includes monthly school visits and monthly grade-level meetings about coming to high school. The mentees planned Drake Day in 9th grade. It was a day to bring all 600 9th graders to school and let them know what to expect in 9th grade. Some mentors led tours, ran the assembly, played games in the sport section and others were able to answer questions from prospective students.

WE ARE THE WINNERS OF THE

The Senior v Faculty Volleyball Game is a tradition that was established long ago. Each student who chose to buy a ticket had the option of getting out of 6th and 7th period--a good deal for all. The proceeds of the game went to The Cystic Fibrosis Foundation.

SENIOR VS. FACULTY

While the Seniors switched out about every fifteen points, the faculty team basically remained the same. But no matter how hard the Faculty tried, the Seniors won, yet for another year in a row. The fans were really into the games, cheering the Seniors on and, of course, laughing at a few mistakes.

We Are Railmen

Most people didn't realize how much dedication the Railmen had this year. Having to wake up extremely early to

make a 6 o'clock morning practice. Yet, it paid off in the end for them, receiving 2nd Place at State. Also during State, they did a co-ed performance with the Raillets. Most of their dances were remixes of different Chris Brown songs together.

The Railmen did a fundraiser with JC Penny to earn money for the season. Normally, they get around and do a performance for the middle schools in the area, but didn't get a chance to since their coach resigned. Hopefully, they'll be able to visit the middle schools next year. Great year guys! Keep up the good work.

The Importance of Being Earnest was a lighthearted romantic comedy about two men assuming the name of "Earnest" on quests of romance, and the hilarious situation that arises from it. This year there were two amazing casts and each did a fantastic job at making it their own show. Behind the scenes there was an extremely hard working crew that stole the show from the beautiful costumes to the fantastical props to the snazzy program, the entire crew put on one truly wonderful production.

Upward Bound and Science Bound

What is Upward Bound and Science Bound? It's people who are the first people in their family to go to college and for some of them, their families don't make enough money to help their children pay for college. The program helps these students find scholarships and help them get the best grades they can in school. Also the program looks good on college resume. The groups start out strangers, and become long term friends.

The Academic Decathlon team proudly qualified to compete at the state level this year. In district competition Katherine Linnane placed 1st in Science testing as she had done the previous year and Caitlin Wilson placed 2nd in state competition in the "Interview" category.

The Civil War was the topic of focus as all team members had to take tests over various subject areas including Social Studies, Science, Economics, Music, Art and Literature. Although practices were disrupted because of building renovations and scheduling conflicts, the team came together when it was time to compete and they were great representatives of Lincoln High.

Lincoln's upperclassmen definitely stepped their games up this season. Led by Senior Captains Phil Carroll and Conor Crawford, Lincoln finished with a record and a second place finish in the Metro conference. For the first time in years, the Railsplitters were able to take down the feisty Roughriders of Roosevelt. Zach Steffen continued his solid play for Lincoln, coming away with three top ten finishes in invitational tournaments. Thanks to additional contributions from Senior Carl Graham and Junior Nick Thompson, Lincoln put forth solid showings in each of its additional duel meets. Though the team will definitely miss its graduating seniors, Lincoln hopes to improve next season with the work the young team plans to put forth this summer.

State contenders

07-08 Wrestling

The 07-08 Lincoln Wrestling season was far from perfect but it did show potential.

The squad was comprised of inexperienced but dedicated freshmen and sophomores who proved that the future holds promise.

With only one senior and three juniors, the underclassmen were undertrained and unprepared for the level of competition and winning meets proved difficult.

In spite of the odds, LHS qualified two wrestlers for State.
